Jim was on his way home. At home he looked for his mum. But she wasn't there. Suddenly he heard a strange noise in the garden. He saw a UFO with his mum inside. He ran in the UFO and took off. Jim saw some funny aliens from another planet. Jim was nervous because the alien king came to him and asked him clever questions about the planet earth. Jim asked the alien king, "Are you from Mars, Saturn or Sun?" He answered, "We are from the planet sun." Jim looked out of the window and saw the huge sky at once a star exploded! Then alien Peter came with Jim's mum. He said, "I must take you home
