

Our 2nd stop is The worldly famous church in Gampinen! It's the hottest stop in gampinen to be during the summer! You have a nice shadow so it's not to hot. It's probably the most beautiful church in Gampinen.

Our 3rd stop is at Golfhotel Tenne. It's is actually quite nice. In the sommer you can play golf there it's a lot of fun. Even though all the celebrity's slept at Relais Bayard they all played golf at this hotel. Maybe if your lucky you should come back in the summer and maybe you'll see a celebrity! :D

1st Stop Relais Bayard

So here is our first stop in Susten. It's the world famous Relais Bayard. It's a 3 Star restaurant. It's looks pretty good from the inside. In the summer it has a very nice terrasse for the parents and a wonderful playground for the children. A lot of celebrity's have slept and eaten here, like Brad Pitt & Angelina Jolie, Adele, Will Smith, Arnold Schwarzenegger, Bruce Darnell, Rihanna, Betty White, Stromae and Katy Perry.
