

# Festival

I love festival. You can listen music and can watch great show. Some people play Music with bagpipes. Sometimes there are very yummy food for example haggis. In winter you can go to the Christmas Market and buy some things. You can watch a dance festival with great Music. I would go there with my friends or family:)

# Sport activities

Highland Games are very cool you can look it or you can play with your family and friends. It is very funny game. You should try it. For example: Celtic It is very funny. People play it like Golf. You can go to festival and dance with people. Dancing with people is very nice. Sometimes they play music with Bagpipes.

Scotland is a big city with a lot of activities. The activities are very fun. Now I tell you some Activities: In Scotland are very high mountains to climb or for camping with family or friends. It is very nice! If you are not a big fan from sport no problem you can visit beautiful museum.

Here are some pictures:)

# Aktivities

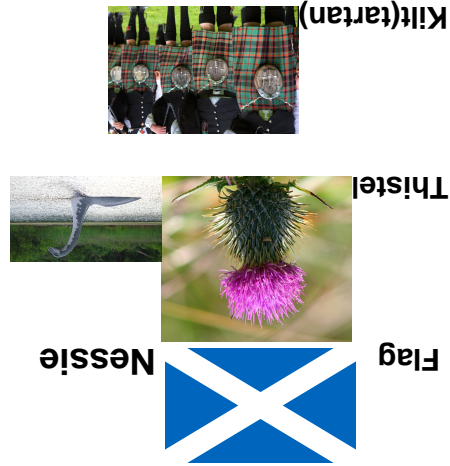

# Historic

In Scotland are a lot of museum. The houses are very old. I think Old is Gold:) There are very old Castle for example Edinburgh Castle. There are creepy Castle for Example the Gartloch Hospital. You can go to Loch Ness many People say there is a monster. The Name of the monster is Nessie. I think Scotland are very historic
