

They runned to him and find him but he was in a house so they open the door quickly and said who is here they hear steps and said dont move! They here more steps and a watch TV attacked the kids but Zack kicked the TV and it stoped.

Dont mess with me kids the kids saw him and attacked but they didnt met and Toneri cant teleport.

Whats that? Thats a house with a power loose network. Network? You cant use ure powers cause i can do that cause i can protect all things so did that from network But i broked this the guy with the water powers came. And he throw of water and he was on the bottom and knocked out thank you dude no problem whats ur name ? Raikiro Tensei

Dont mess with us

Zack,Ashley and Toneri came back to new york and had to stop a new bank robber was in new york. And robbed a bank so Zack Toneri and Ashley said we have to stop the robber the peopels money is really important for the peopel.

Water but we dont know who but if its this robber it will be harder but ! dont think he is it so lets find him they used the laptop and entered new york bank robber they found him and clicked him and find details clicked it there was standing dont mess with me.

and someone got

SPEED

HEALING

FIRE

Dont mess with me what is he a beast? No but some peopel say that he cant rilly fight but he is strong what does that mean? He can program things.

Things like what? Like a garbage can and how with controllers or laptops and more thats unfair we are unfair we got super powers thats right so lets just look for more details ok and where we can make a detail searching wepside and how leave it to me said Zack.

Zack was tipping how to make a wepside he found it and downloadet a app and find him he started a gps for the robber and he was close he was on the second bank.
